### Hachathon or not

The primary objective of this proposal is to establish a Quarterly Community Grant Program within our DAO, aimed at fostering innovation, community engagement, and growth. By allocating a portion of our treasury funds to support community-driven projects, we aim to empower our members and encourage contributions that align with our DAO's vision and goals.

communications and may qualify for additional support. Expected Outcomes: Through the Quarterly Community Grant Program, we aim to achieve the following outcomes: Accelerate the development of innovative tools and services within our ecosystem. Increase the visibility and reputation of our DAO in the wider blockchain community. Empower community members. Conclusion: By approving this proposal, we will take a significant step towards nurturing our DAO's growth. The Quarterly Community Grant Program represents an investment in our collective future, and we look forward to the positive impact our members will make with this support.
